Editorial

The Senior Class proudly puts forth the sixth edition of "The Exodus." We hope you will enjoy its contents and approve of the changes we have made.

As the years separate us from our high school days, we hope this year's yearbook will serve as a reminder of our good times here at New London High School.

At this time we take the opportunity to wish the underclassmen the best of luck in the future and to extend our thanks to a faculty who have given us much help through our high school years.

Verne Barrett

ADMINISTRATION

To the Members of the Graduating Class of 1953:

Congratulations to each of you on the satisfactory completion of your high school course.

The next chapter in your lives will be largely of your own making. You complete your high school work at an interesting time. Opportunities will likely present themselves in about the ratio that you are prepared to take advantage of them. There has never been an easy time for young people. Pursue your formal education -- if possible -- for our modern age seems to offer many opportunities to those with technological know-how. But most important -- find a line of work and a way of life that interests you -- then give the best that's in you toward that end.

As alumni you join with all other graduates in demonstrating the real value of New London High School. I am confident that your accomplishments will justify our faith in you and serve to strengthen the good name of your school.

Sincerely yours,

Gordon B. Flint

Supt. of Schools

To the members of the Class of 1953:

When you became members of New London High School as freshmen, it looked like an endless climb to the top of the hill or the time when you would approach the auditorium knowing you would be receiving your diploma and serving your affiliation with the school as an active member. Now that the day is approaching with unlimited speed you are, no doubt, thinking back on your years in high school and asking yourselves many different questions.

Why not pause a moment and review your lives up to this time. You will find many accomplishments to be remembered with pride, but you also will find some failures. Perhaps you hope to forget the failures, but if you think carefully, I am sure you will realize that the failures have been important to you also. Your character has been strengthened by both the accomplishments and failures if you have used them as stepping-stones to the achievement of higher goals. By learning to think clearly you will be well on your way to a successful life.

It is my hope that each of you will always have a small corner in your heart for New London High School. You are a part of the school and the school is a part of you.

Sincerely,

Robert J. Livingston

Student Council

FIRST ROW: E. Gay, R. Livingston, representative for teachers, J. Davis, B. Spaulding, S. Kidder, J. Adams. SECOND ROW: R. Biggert, K. Allyn, R. Duford, L. Enman, J. Butler.

The Student Council representatives elected this year are: seniors--Jerry Davis, Bruce Spaulding; juniors--Sue Kidder, John Adams; sophomores--Eileen Gay, Leslie Enman; freshmen--Karyl Allyn, Roland Duford; junior high--Judith Butler, Robert Biggert. The advisor is Mr. Livingston. Officers elected to the Council through votes cast by grades VII to XII are: president, Jerry Davis; vice-president, Bruce Spaulding; secretary-treasurer, Eileen Gay.

The Student Council has been active this year. It has sold emblems, sponsored assemblies--one for United Nations Day, one for Thanksgiving, and one a quiz program which everyone enjoyed. A whole series of assemblies is planned for the year.

The program of having hostesses at the grade school tables at noon has been successfully carried out by the Council. Members are also in charge of providing music during the lunch hour.

The Council sponsored the Christmas party again this year and has planned a movie dance for the spring. All members of the Council would like to express thanks to Mr. Livingston for his interest and guidance and to the student body for its cooperation and support.

FALL

September 3, 1952

The first day of school at New London High School!

As we all returned to a different and better class we couldn't help but wonder what this school year would have in store for us. We entered that door very curious and wondering what the new teachers would be like.

I think that we all agree that this has been a very prosperous year. Some are looking forward to returning next year and those that won't be returning next year will always think of the good times at N.L.H.S.

Girls' Basketball

Although the girls' team won very few games, they showed us good sportsmanship, hard work and high spirits. By the end of the season it was very difficult for any opponent to beat them. We are sure that next year they will be well rewarded for their work.

Boys' Basketball

The boys' basketball team started the season with as inexperienced group, having lost Edmunds, Wry, Dow and Squires from the class of '52. In the opening game Bristol beat us 57-34 on their new floor. In this game Sherm Barrett broke his collar bone. After beating Andover we lost to Henniker and Sunapee before defeating Vilas 28-20. In a close game Bristol beat us again 48-43 but we won over Hopkinton, Warner, Andover and Henniker before losing to Vilas 57-50. Charlestown beat us 51-33 but we bounced back with easy home victories over Hopkinton, Warner and Sunapee before again losing at Charlestown 57-40. Our last game brought a victory at the expense of Enfield 57-25. This entitled us to enter the first round of the Class C Tourney (under a new 16-team set-up). And we were defeated by Henniker 42-37 after leading 16-6 at the first period. That left our total record for the year 10-8 which wasn't bad considering our lack of experience and the caliber of the teams which played: both Henniker and Vilas reached the semi-finals, Charlestown the quarter-finals in Class C and Bristol the Quarter-Finals of Class B. At the end of the year Verne Barrett and Bruce Spaulding were elected Co-Captains and had done much to deserve the honor. Bruce Spaulding was the top foul shooter with a 57.1% average. Greatest number of points for the year were made by Verne Barrett and Robert Stuart.

PERSONALIZED PORTRAITS

AND IT'S ALL DONE WITH LIGHTS

There's magic in lights . . . add a light here, place a spotlight there, and your portrait takes on the appearance of real form and individuality.

Your Vantine photographer knows how lighting effects can be best used . . . How easily they can reflect your personality.

Your Vantine photographer knows best how to secure the sharply etched photograph your engraver desires of the important senior year . . . The victories of the athletic teams . . . The brilliance of social occasions . . . The Prom . . . The plays . . . The debates . . . The expression of everyday life on the campus.

That personalized portraits by Vantine are important is attested to by the fact that over 300 schools and colleges repeatedly entrust their photographic work to Vantine.
